Learn the amazing off-camera lighting and glamour posing techniques that have turned Scott Robert into an international superstar. Scott will teach his simple techniques using available light and portable strobes that will allow the photographer to create amazing images on location and almost anywhere within minutes. See how to shoot in extreme bright sun and in low light situations and how to find the best light or to create it. Discover how to maximize shooting time to create a variety of stylized images.

Scott's glamour portrait techniques not only work for weddings, but for any type of portraiture; however, Scott will place a heavy emphasis on fashion and glamour photography. There will also be discussions on business skills, how to create an international clientele, leveraging viral marketing, and how to get clients to rave about your studio.

This class is geared for the advanced student who is committed to getting to that next level. Students are expected to know how to shoot in manual mode.
